

AIR FORCE SCHOOL, SRINAGAR NEWSLETTER FOR THE MONTH OF APRIL 2025

Dear Parents, Guardians and Students

As the sun rises on a new academic year, it brings with it a sense of excitement, possibility, and discovery. Whether you're embarking on this journey for the first time or returning for another chapter, we extend our warmest welcome to each and every one of you.

To our new parents, we are thrilled to have you join our school community. Your trust in us to nurture and educate your child is a responsibility we hold with the utmost care and dedication. We look forward to building strong partnerships with you, working hand in hand to ensure your child's growth and success.

To your learners stepping into our halls for the first time, welcome! This is where friendships will blossom, knowledge will unfold, and dreams will take flight. Embrace every moment, for each day is an opportunity to learn, to grow, and to discover the incredible potential within you.

And to our returning families, welcome back! Your continued support and involvement enrich our school in countless ways. Together, let's continue to foster an environment where every child feels valued, supported and empowered to reach for the stars.

As we embark on this new journey together, let us remember that we are a community bound by a shared commitment to excellence, compassion, and lifelong learning. Let's celebrate our diversity, our talents, and our collective achievements.

Here's to a year filled with joy, growth, and endless possibilities.

Together, let's make it truly unforgettable!

Activities conducted this Month

- Oral Health Awareness Program
- Slogan Writing on Earth Day
- Colouring Earth Activity
- Poster Making on Earth Day

- Earth Day Celebration
- Plantation Drive
- Chess Competition
- Cleanliness Drive
- Yoga
- Workshops
- Baisakhi Celebration
- Special Assemblies
- Fun Day Activities
- Green Day Celebration

"Love the
earth as you
would love
yourself."

Oral Health awareness Programme

A workshop on Oral Health Awareness was conducted by Major Amolika to educate students on the importance of maintaining good oral hygiene. The resource person shared valuable insights on oral care practices, including proper brushing techniques and preventive measures. The session aimed to promote lifelong habits for healthy teeth and gums.

Tearing and Pasting Activity

A Tearing and Pasting activity was conducted to enhance the fine motor skills and creativity of our young learners. Students enthusiastically tore colored papers and pasted them to form beautiful shapes and pictures. The students thoroughly enjoyed this hands-on activity and participated with great excitement. It was a joyful experience that encouraged imagination, improved hand-eye coordination, and allowed students to express themselves artistically.

Colouring Earth Activity

"At our school, students engaged in a delightful coloring and pasting Earth activity. With joy and enthusiasm, they colored and carefully pasted images of our planet, adorned with glitter and sequins, symbolizing the beauty and diversity of Earth. Through this hands-on experience, students learned about the importance of caring for our planet and preserving its natural resources. This creative endeavor not only fostered artistic expression but also instilled a sense of responsibility towards environmental stewardship in our young learners.

Poster Making with Slogan Writing on Earth

"On Earth Day, students showcased their creativity through poster making and slogan writing. Using vibrant colors and catchy phrases, they crafted posters advocating for environmental conservation. Each poster conveyed a powerful message, urging everyone to protect our planet. Through this hands-on experience, students learned about the importance of environmental stewardship and the impact of individual actions. Their posters serve as inspiring reminders to make a positive difference for Earth's future."

Plantation Drive

A Plantation Drive was organized to create awareness about the importance of greenery and environmental conservation. Children actively participated by planting various saplings around the school surroundings with great enthusiasm. They learned about different types of plants, their benefits, and how to care for them. The activity helped instill values of responsibility, patience, and love for nature. Students were excited to get their hands muddy and showed keen interest in nurturing the environment. It was a refreshing, joyful, and educational experience that left a lasting impression on their young minds. Such initiatives encourage students to become environmentally conscious citizens of the future."

Baisakhi Celebration 16 April

"Our pre-primary kids celebrated Baisakhi with enthusiasm and delight! They engaged in a range of activities, including learning about the significance of Baisakhi through stories and songs, creating vibrant art and craft projects like paper flowers and traditional Punjabi attire, and enjoying delicious treats together.

Through these joyful experiences, we aimed to instill an appreciation for cultural diversity and the spirit of community. The celebration was a colorful and memorable occasion, filled with laughter, learning, and love."

Fire Drill

"In a proactive safety measure, our school organized a fire drill demonstration in the auditorium on 15 April 2024, ensuring preparedness for emergencies. Students learned essential evacuation procedures, promoting a safe learning environment. Concurrently, a poster-making competition sparked creativity among students, encouraging them to illustrate fire safety tips and procedures. Through these activities, our school fosters both awareness and preparedness, ensuring the well-being of our students and staff."

Cleanliness Drive / Rally on Earth Day

Earth Day Cleanliness Drive and Awareness Rally

On the occasion of Earth Day, students from Classes 1 to 8 enthusiastically participated in a cleanliness drive and awareness rally. Carrying thoughtful placards and chanting impactful slogans, they promoted environmental responsibility and the importance of keeping our surroundings clean. The initiative aimed to instill eco-conscious habits and civic responsibility among young learners. Children thoroughly enjoyed the activities, making the event both meaningful and memorable. The rally also served as a valuable learning experience, helping students better understand their role in preserving the environment. It was a wonderful display of collective effort and environmental commitment by the school community.

No Bag Day/ Fun Day on Every Saturday

Every Saturday, our school pulsates with vibrant energy as it transforms into a day of exploration and creativity with 'Fun Day' or 'No Bag Day' for all classes. In addition to engaging in mind-stimulating activities and SUPW projects, students eagerly participate in hobby classes tailored to their interests. From painting and pottery to music and dance, these hobby classes provide an avenue for students to pursue their passions and uncover new talents. Through a blend of fun, learning, and self-expression, Saturdays become a day of holistic growth, fostering well-rounded individuals who thrive both inside and outside the classroom."

Activities conducted on fun day are: Handkerchief painting, Dictionary reading, Word building, Hand fan making, Coding decoding numbers conveying messages, Identification of capital and small letters, Thumb printing of birds and animals, Tap and clap activity, Memorizing activity, Leaf print activity, My sheep farm activity, Mind activities, Spot the difference etc.

Earth Day Celebration

Our school celebrated Earth Day with great enthusiasm and creativity.

All hobby clubs showcased their talents through vibrant stage performances, including dance, music, and dramatics. The Science & Technology and Art & Craft clubs displayed impressive eco-themed projects. Children enjoyed the event thoroughly, gaining awareness about environmental conservation in a fun and engaging way. The celebration highlighted students' creativity and commitment to a greener future.

Yoga by Sports Teacher

Our sports teacher Mr Altaf conducted a rejuvenating yoga session for students of Classes 1 to 8. The session focused on simple breathing exercises and basic asanas to promote physical and mental well-being. Children participated with great enthusiasm and thoroughly enjoyed the experience. The activity emphasized the importance of yoga in building concentration, flexibility, and a healthy lifestyle. It was a refreshing start to the day, encouraging students to adopt yoga as a daily habit.

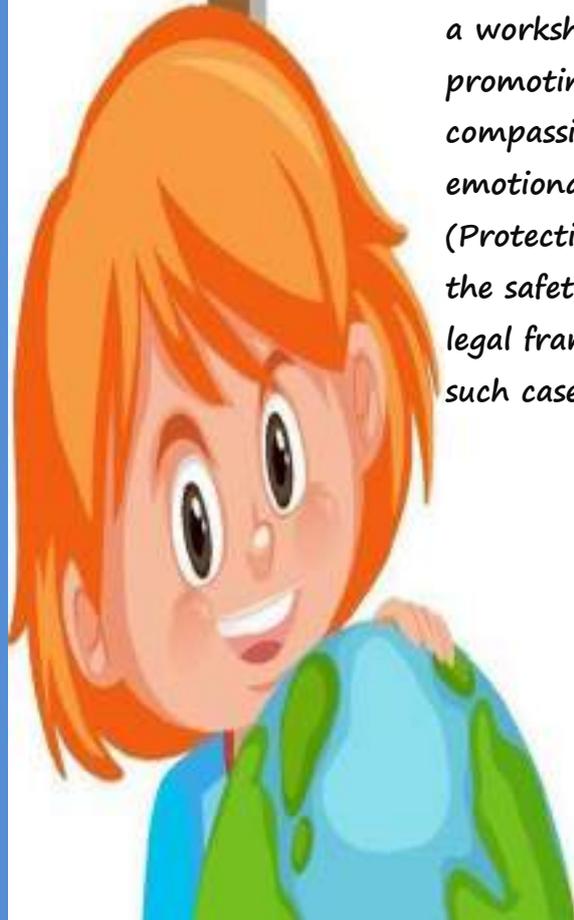

Documentary on Shaurya Gatha

Students were shown an inspiring documentary on Shaurya Gathe through the smart board. The film highlighted stories of bravery and sacrifice by Indian heroes, instilling a deep sense of patriotism and respect for the armed forces. Children watched attentively and were deeply moved by the real-life acts of courage. The documentary emphasized the importance of bravery, discipline, and love for the nation. It served as a powerful reminder of the values that strengthen our country and inspired students to be responsible citizens.

Workshop by Mrs Ichpal and Mrs Wajeeha

"Our dedicated teacher Mrs Ichpal Kaor and Mrs Wajeeha Manzoor led a workshop on the topic Promoting Wellness, and Pocso Act focused on promoting wellness within our school community. With expertise and compassion, she shared strategies for fostering physical, mental, and emotional well-being among students and staff. The POCSO Act (Protection of Children from Sexual Offences) is a law enacted to ensure the safety and protection of children from sexual abuse. It provides a legal framework for the reporting, investigation, and speedy trial of such cases to safeguard children's rights.

Chess Competition

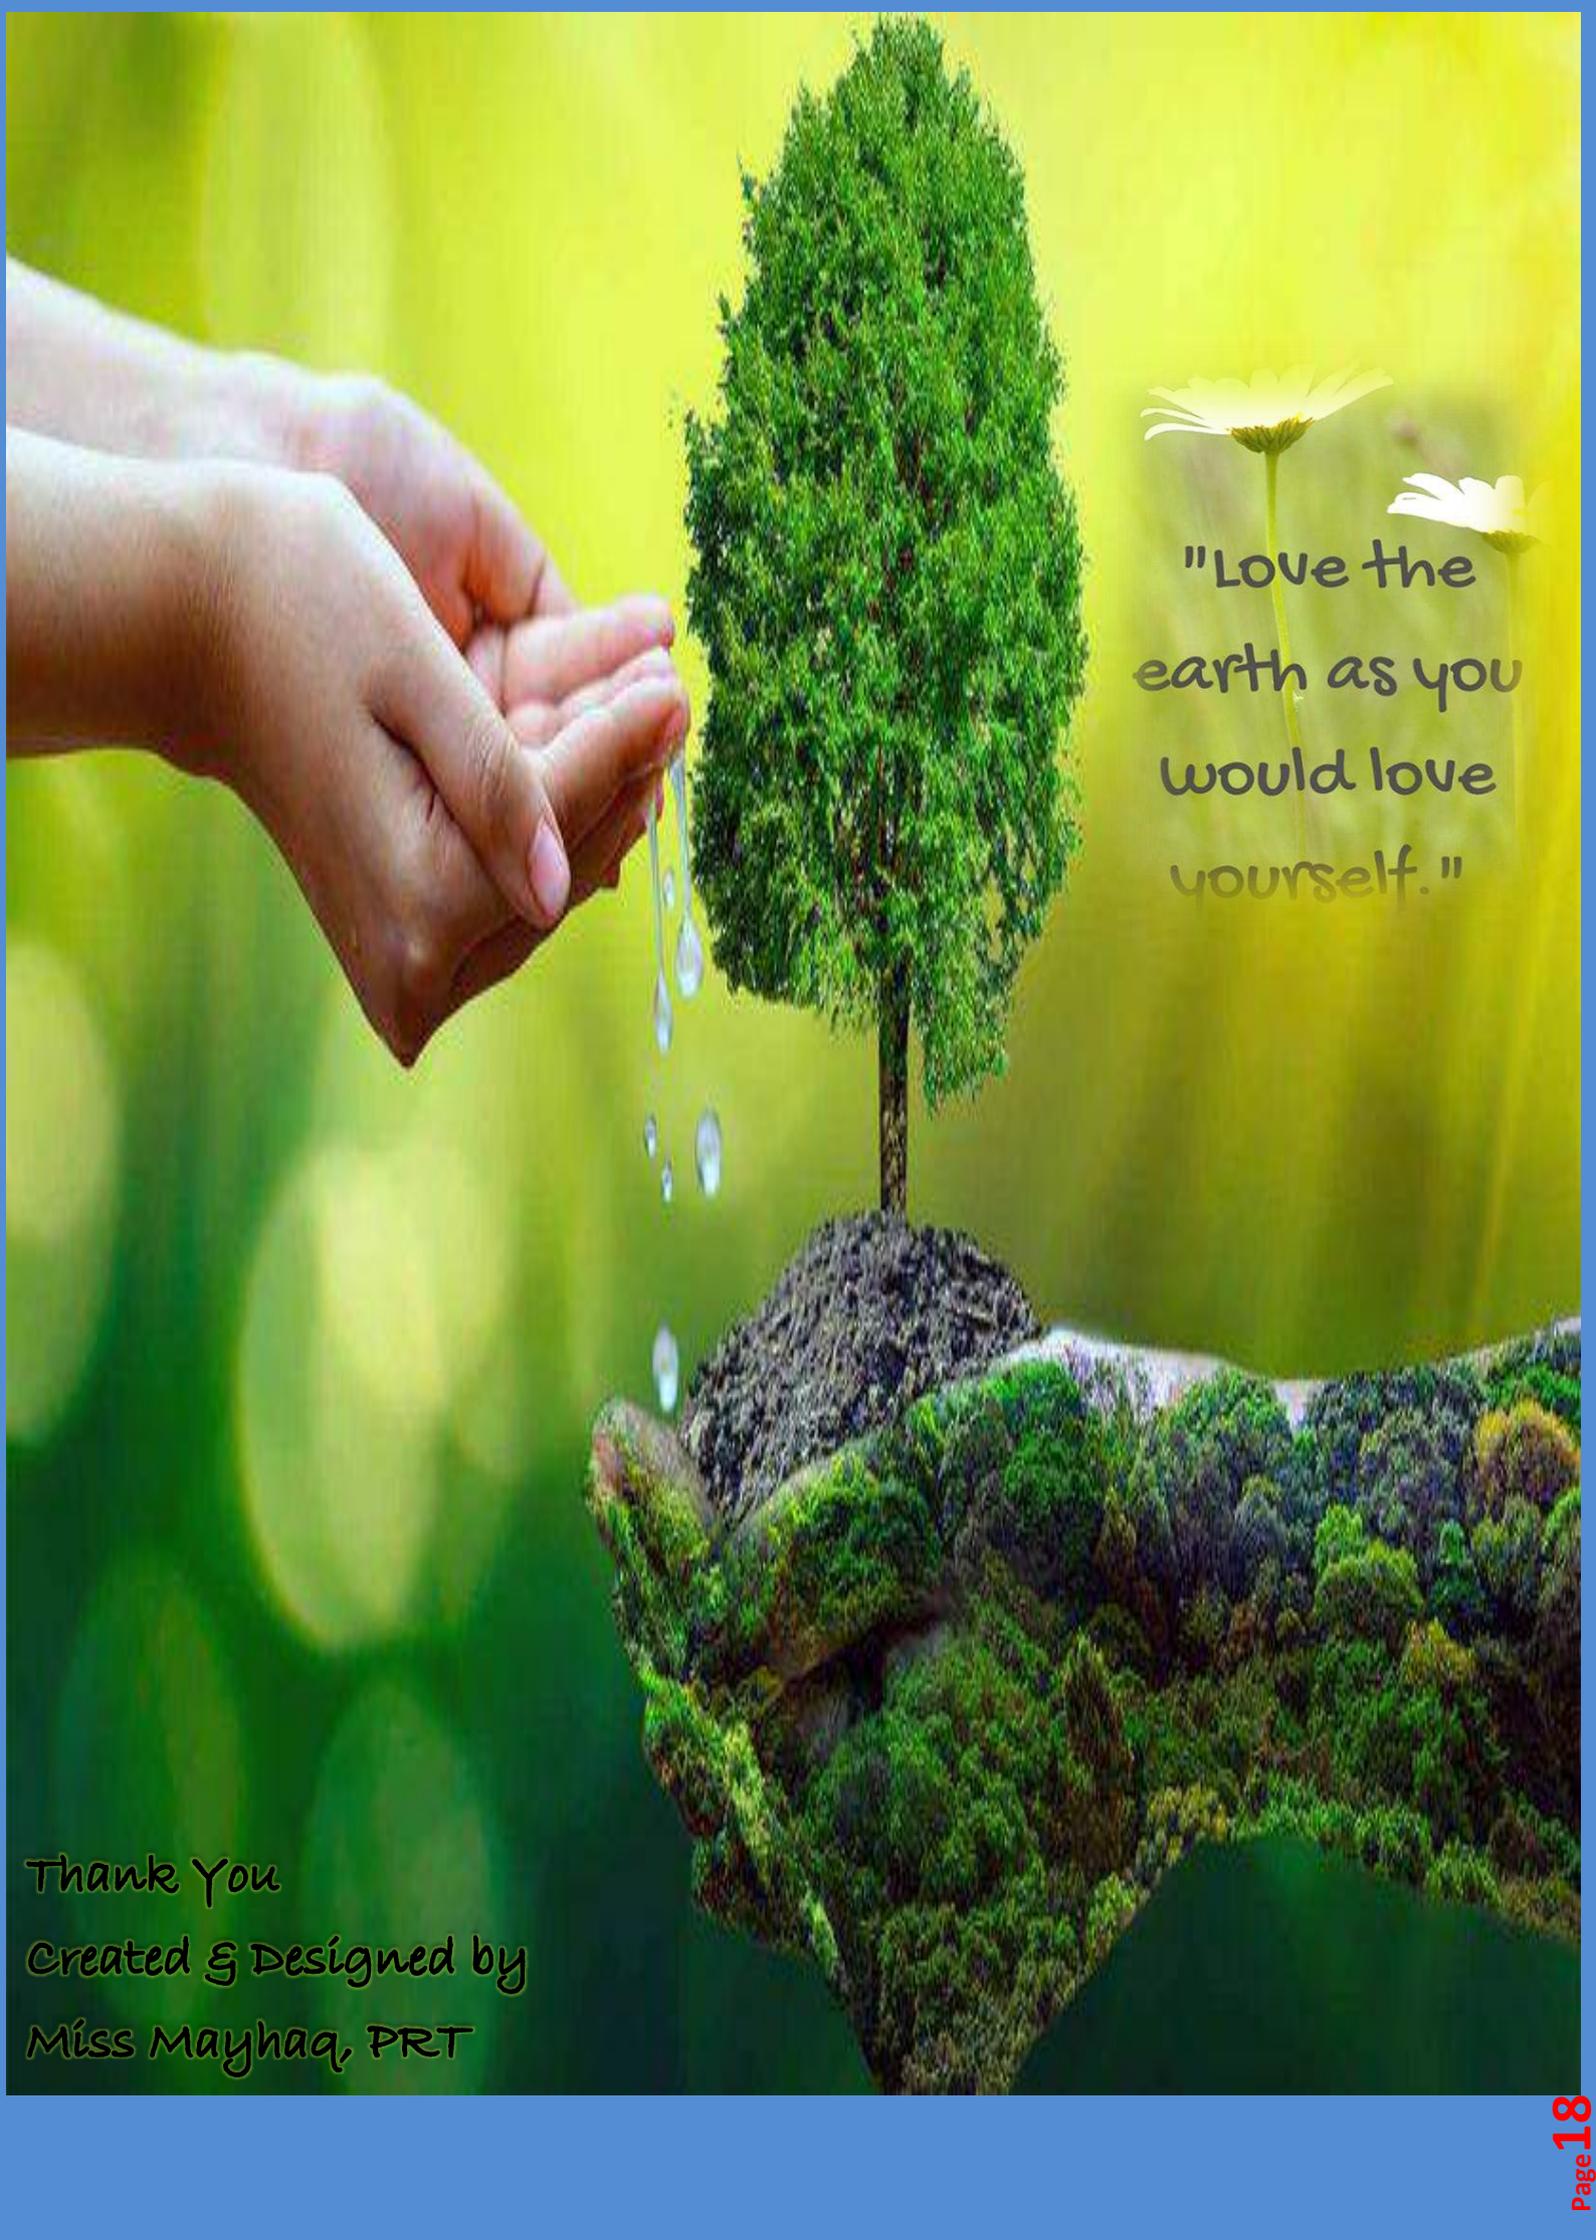

An engaging chess competition was organized by our Sports Teacher Mr Altaf, providing students a platform to showcase their strategic thinking and concentration skills. Participants from various classes competed enthusiastically, displaying impressive focus and sportsmanship. The matches were well-coordinated and created a spirit of healthy competition. Children thoroughly enjoyed the challenge and learned the importance of patience, planning, and fair play. It was a successful and enriching experience for all involved.

Green Day Celebration

Green Day was joyfully celebrated by our pre-primary students to promote love for nature and awareness about the environment. Children came dressed in green and participated in fun activities like coloring, leaf printing, and planting saplings. Classrooms were decorated with green-themed crafts, creating a lively atmosphere. The little ones enjoyed every moment and learned the importance of greenery in our lives.

"Love the
earth as you
would love
yourself."

Thank You
