Lecture on National Anthem by Mrs Sozia

Our school recently organized an insightful lecture on the National Anthem, delivered by Mrs Sozia. She beautifully explained the history, meaning, and significance of the anthem, helping students understand the deep respect and unity it symbolizes. The session emphasized the correct way of singing the anthem with dignity and discipline. Students were highly inspired to value and honor this important national symbol.

Tri colour Flag Making Activity

The children enthusiastically participated in the Tricolour Flag Making Activity conducted in school. Teachers explained the importance of our national flag and its three colours – saffron, white, and green – along with the Ashoka Chakra in the centre. Using coloured paper, crayons, and craft materials, the little ones created beautiful flags with great excitement. This activity not only enhanced their creativity and fine motor skills but also helped them understand the value of our national symbols. It was a joyful and patriotic experience for the children

Tricolour Sandwich Activity

Our school conducted a fun and creative Tricolour Sandwich Activity to celebrate the spirit of our nation. The little chefs of the school eagerly participated and prepared healthy sandwiches using ingredients in the colours of our national flag—saffron, white, and green. With great

excitement, they layered bread with carrots, cheese, and cucumber to represent the tricolour. The activity not only helped children learn about the significance of the Indian flag but also encouraged healthy eating habits. It was a joyful experience filled with learning, creativity, and patriotism.

Prize Distribution Ceremony

The Prize Distribution Ceremony was held with great enthusiasm to honour the winners of the Quiz, Calligraphy, and Role Play competitions. The event began with loud applause as the names of the achievers were announced. The winners of the Quiz Competition showcased their knowledge and quick thinking, while the Calligraphy winners impressed everyone with their beautiful handwriting. The Role Play participants were appreciated for their confidence, expressions, and creativity. All the winners were awarded certificates and prizes by the Principal, who encouraged every student to keep participating in such activities. The ceremony ended with cheers and smiles, making it a proud and memorable moment for all.

Sanskrit Week

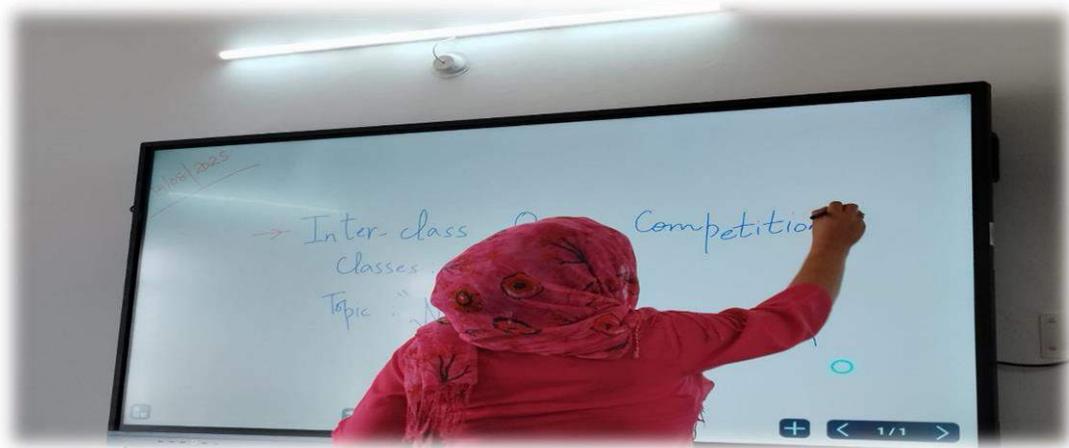

Sanskrit Week was conducted in our school assembly from 6th August to 12th August with great enthusiasm. Each day, students presented shlokas, speeches, songs, and short skits highlighting the beauty and importance of the Sanskrit language. Teachers also motivated students to learn and use Sanskrit words in their daily conversations. The week-long celebration helped everyone understand the richness of our ancient language and its cultural heritage.

Quiz Competition

An Inter-class Quiz Competition was held between classes VII and VIII on 14th August 2025 on the topic “Newspaper Headlines and Current Affairs of the Month.” The students of both classes participated with great enthusiasm, showcasing their knowledge and presence of mind. The quiz consisted of three rounds, making the competition exciting and engaging. The event was judged by Mrs. Sabreen Mushtaq (TGT-English), who appreciated the efforts of all the participants. After a tough contest, Class VIII emerged as the winners of the competition.

Rakhi Making Activity and Celebration in School

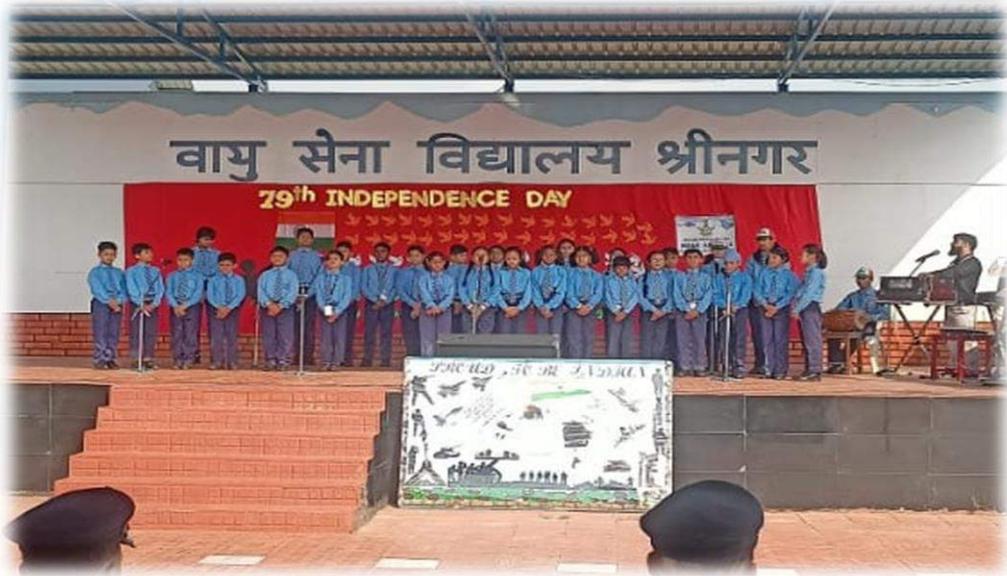

Our school celebrated Rakhi with great enthusiasm and joy. A special Rakhi Making Activity was organized where students used colourful threads, beads, ribbons, and decorative materials to make beautiful rakhis. Children showed their creativity and made unique designs. Later, a small celebration was held in which students tied rakhis to their friends and expressed the bond of love and care. A special moment of the day was when girl students tied rakhis to our jawans, showing respect and gratitude for their service and protection. The activity helped students understand the importance of the festival and the value of relationships.

Independence Day Celebration

Independence Day was celebrated in our school with great joy and patriotism. The program began with the flag hoisting, followed by the singing of the national anthem. Students presented patriotic songs, dances, and speeches highlighting the importance of freedom and the sacrifices made by our freedom fighters. The school campus was beautifully decorated with tricolour flags and balloons, creating a festive atmosphere. Teachers also shared inspiring words about the significance of the day. The celebration filled everyone with pride and love for our country.

Lecture on Micro Teaching by Group Captain Sandeep Shetty

A special lecture on Micro Teaching was conducted by Group Captain Sandeep Shetty Sir for the teachers. The session highlighted the importance of micro teaching as a technique to improve classroom skills in a structured and focused manner. Sir explained how teachers can practice different teaching skills—such as questioning, reinforcement, explanation, and use of teaching aids—in a short and simplified lesson before applying them in a real classroom.

The lecture also emphasized the teach–re-teach–feedback cycle which helps teachers reflect on their methods and make improvements. Through examples and interactive discussions, the session motivated teachers to adopt micro teaching as a tool for professional growth and to enhance the overall teaching–learning process.

Orange Day Celebration

Our Pre-Primary children celebrated Orange Day with great joy and excitement. The little ones came dressed beautifully in different shades of orange, making the day bright and cheerful. Classrooms were decorated with orange balloons, flowers, and charts. Children learned about the color orange through fun activities like coloring, craftwork, and identifying orange fruits and objects such as carrots, oranges, and pumpkins. They also sang rhymes and enjoyed games based on the theme. The celebration helped children recognize the color orange and understand its importance in a joyful and playful manner.

National Space Day and Nutrition Drawing & Painting Competition

Our school celebrated National Space Day with great enthusiasm, highlighting the wonders of space exploration and inspiring young minds to dream big. To mark the occasion, a Drawing and Painting Competition was also organized on the theme of “Space and Nutrition”. Students from different classes participated actively and expressed their creativity through beautiful artworks. Their drawings reflected the importance of good nutrition for a healthy life as well as their imagination of planets, rockets, astronauts, and the universe. The event not only encouraged artistic skills but also spread awareness about the significance of science and healthy living.
