Investiture Ceremony

The Investiture Ceremony for the academic year 2025-26 was held with great pomp and dignity at Airforce school Srinagar on 25 June 2025. This solemn occasion marked the official appointment of the newly elected Student Council members, entrusting them with leadership roles and responsibilities for the upcoming academic session. The CCA incharge Mrs Shabnam welcomed the gathering and highlighted the importance of leadership, discipline, and service in student life.

The highlight of the ceremony was the formal donning of sashes and badges by the newly appointed council members, including the Head Boy, Head Girl, Sports Captains, House Captains, and other office bearers. They were administered the oath of office by the Head boy & Head girl, wherein they pledged to fulfill their duties with integrity, dedication, and commitment. The event concluded with the National Anthem. The ceremony was a memorable occasion, reflecting the spirit of unity, responsibility, and pride.

International Yoga Day

The International Yoga Day was celebrated with great enthusiasm at Airforce school srinagar on 21st June 2025. The event aimed to promote the importance of yoga in maintaining a healthy body and mind and was attended by students, teachers, and staff members. The celebration began early in the morning with a brief introduction about the significance of the day. Mr Altaf (Sports incharge) welcomed the gathering and emphasized the relevance of yoga in today's fast-paced lifestyle. He guided the participants through a comprehensive session of asanas, pranayama, and meditation. Participants performed various yoga postures such as Tadasana, Vrikshasana, Bhujangasana, and Savasana, along with breathing techniques like Anulom-Vilom and Kapalbhati. The session helped in creating awareness about physical and mental well-being. The celebration concluded with a pledge to include yoga as a regular part of life for better health and mindfulness.

The event was a great success and left the participants rejuvenated and inspired to embrace a healthier lifestyle through the practice of yoga.

Spoon and Lemon Race

A fun-filled Spoon and Lemon Race was organized as part of the Co-curricular Events. The event was held on the school playground and saw enthusiastic participation from students of pre primary. The objective of the activity was to promote balance, focus, and concentration among students while also encouraging friendly competition and sportsmanship. In this classic race, participants had to balance a lemon on a spoon held in their mouth and walk briskly towards the finish line without dropping it. The event created a cheerful and lively atmosphere as students cheered for their classmates. Teachers supervised the race to ensure fair play and safety. Winners were selected based on who reached the finish line first without dropping the lemon.

The Spoon and Lemon Race was a delightful and memorable experience for all, reinforcing the idea that sports can be both fun and educational.

Lemonade Making

A refreshing and educational Lemonade Making Activity was conducted for the students of Pre primary. The activity was designed to promote basic culinary skills, teamwork, and awareness about healthy, homemade beverages. Students participated with great excitement, bringing the required ingredients such as lemons, sugar, salt, water, and mint leaves. Under the guidance of their teachers, they learned how to squeeze lemons, measure ingredients, and mix them in the correct proportions to prepare a perfect glass of lemonade. The activity not only taught the students a simple life skill but also emphasized hygiene, cooperation, and the importance of staying hydrated, especially during the summer months. Overall, the Lemonade Making Activity was a fun, hands-on learning experience that combined creativity with practical knowledge.

Father's Day Celebration

To celebrate the special bond between fathers and their children, a Father's Day Card Making activity was conducted for students of Pre primary with the aim of nurturing creativity and helping children express their love and gratitude towards their fathers. The young learners participated with great enthusiasm, using colorful papers, markers, glitter, stickers, and other craft materials to design heartfelt cards. Each card carried unique messages, poems, and drawings that reflected the students' emotions and appreciation for their fathers. Teachers guided the students in planning their card layouts and encouraged them to write personalized messages. The classroom was filled with excitement, laughter, and warmth as children proudly crafted tokens of love for their dads. The Father's Day Card Making Activity was a joyful experience that brought out the artistic talents of the students and allowed them to create lasting memories for a very special occasion.

English Poem recitation competition

The event aimed to enhance students' appreciation of poetry, improve their public speaking skills, and boost their confidence. Each student recited a poem of their choice in English & Hindi showcasing their ability to express emotions and meaning through voice modulation, pronunciation, and expression. The participants were assessed on parameters such as voice clarity, expression, memorization, confidence, and overall impact.

Eid Ul Adha Celebration

The festival of Eid ul-Adha, also known as the Festival of Sacrifice, was celebrated with great joy and reverence. The event aimed to educate students about the significance of this important Islamic festival and promote the values of faith, unity, and compassion. The students were encouraged to help those in need and to celebrate festivals with inclusivity and understanding.

The event concluded with the distribution of sweets, which brought smiles to the faces of all the children. It was a day of reflection, celebration, and learning that beautifully blended culture and education.

White Day Celebration

The Pre-Primary wing celebrated White Day with great enthusiasm and excitement on 30 June 2025. The aim of the celebration was to help young learners recognize the color white and understand its significance through interactive and engaging activities. The tiny tots came dressed in beautiful white outfits, turning the entire pre-primary section into a scene of snowy delight. Classrooms were decorated with white balloons, cotton clouds, snowflakes, and soft white toys to create a joyful and thematic atmosphere. The day began with a color recognition activity, where teachers introduced the color white through objects like milk, eggs, cotton, snow, and doves. Children actively participated in:

Rhymes and action songs related to the color white

Art and craft activities such as making snowmen, doves, and white paper crowns

Show-and-tell, where students brought white-colored items from home and spoke a few lines about them

Teachers also spoke about the symbolic meanings of white—peace, purity, and innocence—in a way that was simple and meaningful for the young learners.

The White Day celebration was a successful blend of fun and learning, helping students build color recognition, vocabulary, and confidence in a creative environment.

WORKSHOP BY MRS SABREEN (TGT English)

Mrs sabreen conducted an insightful and engaging workshop titled “The Joy of Knowing a Language is the Key to Learning a Language”. The workshop aimed to highlight the importance of finding joy and meaning in language learning to enhance both retention and fluency. The Objectives of the Workshop were

1. To develop a positive attitude toward language learning.
2. To explore fun and creative methods for learning a new language.
3. Interactive discussions on personal experiences with learning languages.
4. Insights into how emotional engagement enhances language memory and fluency.

One of the most impactful messages of the workshop was:

"When we enjoy the process of using a language—through stories, songs, or conversation—we naturally absorb more than we would through memorization alone."

Workshop by Mrs. Sozia Maqbool (NTT)

A workshop on Listening and Speaking Skills was conducted by Mrs Sozia Maqbool (NTT). The objective of the workshop was to enhance the communication abilities of the participants by focusing on two critical components of effective communication – active listening & clear, confident speaking. The workshop successfully met its objectives and proved to be a valuable experience for all attendees. It underscored the role of listening and speaking in building effective communication and interpersonal relationships.

Empowering Young Voices – Youth Parliament 2025

The Youth Parliament Session 2025 was organized with the objective of fostering democratic values among students and encouraging active citizenship. The session aimed to simulate real parliamentary proceedings and provide a platform for youth to voice their opinions on current socio-political issues.

Objectives of the activity included:

1. To promote awareness of parliamentary procedures.
2. To encourage debate and dialogue on important national issues.
3. To develop leadership, oratory, and critical thinking skills among students.
4. To nurture a sense of responsibility and civic duty.

The session witnessed enthusiastic participation from students across different grades taking up roles such as:

- i) Speaker of the House
- ii) Prime Minister
- iii) Leader of Opposition
- iv) Cabinet Ministers
- v) Members of Parliament (MPs)
- vi) Media

Representatives and Observers

The session was conducted with following authentic parliamentary procedures, including: Question Hour, Debate on a Bill , Voting and Passing of Resolutions, Adjournment Motion and Point of Order. Students showcased impressive knowledge, preparation, and persuasive skills. The Youth Parliament Session 2025 was a resounding success, igniting political awareness and civic engagement among the youth. It provided a valuable learning experience and highlighted the potential of young leaders in shaping the future of our nation.

PENCIL SHAVING ART ACTIVITY

The main objective of the activity was to encourage students' creativity and fine motor skills by using pencil shavings to create artistic compositions. This activity also aimed to promote sustainable art by using waste materials. It developed fine motor and coordination skills in students, fostered environmental awareness through reuse of materials, encouraged imagination and individual artistic expression & built patience and focus in students. Most students found the activity enjoyable and relaxing. They expressed pride in turning simple pencil waste into beautiful artwork. The pencil shaving art activity was a successful and enjoyable hands-on experience. It not only encouraged creativity and sustainability but also helped in classroom bonding and student confidence.
